# GOLD HILL MESA METROPOLITAN DISTRICT NO. 2 2018 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### **Services Provided**

The Gold Hill Mesa Metropolitan District ("District No. 2"), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on November 9, 2004, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The Preliminary Consolidated Service Plan, approved by the City of Colorado Springs on September 14, 2004, formed the Gold Hill Mesa Metropolitan Districts Nos 1-3 ("The Districts") as 'shell districts' which could not operate until an amended service plan was approved. The Amended Consolidated Service Plan was approved by the City on July 11, 2006.

The District was organized to provide planning, acquisition, construction, installation and financing of public improvements, including streets, water, wastewater, traffic and safety, park and recreation, mosquito control, television relay and transportation facilities, primarily for residential development known as Gold Hill Mesa. The District was organized in conjunction with two other related districts, Gold Hill Mesa Metropolitan District No. 1 ("District No. 1"), the Operating District, and Gold Hill Mesa Metropolitan District No. 3 ("District No. 3"), the Commercial and Financing District. District No. 1 will own (subject to dedication of improvements to the City), operate, maintain and construct facilities benefiting all three Districts, and District No. 2 and District No. 3 will contribute to the costs of construction, operation and maintenance of such facilities. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District's voters held an election on November 2, 2004. The election approved general obligation indebtedness of \$30,000,000 for street improvements, \$5,000,000 for water facilities, \$10,000,000 for wastewater facilities, \$1,000,000 for traffic and safety controls, \$8,000,000 for parks and recreational facilities, \$500,000 for mosquito control, \$1,000,000 for television relay, \$500,000 for transportation system, and \$57,000,000 for refinancing of District debt. The election approved an annual increase in taxes of \$1,000,000 for general operations and maintenance. The election also allows the District to retain all revenues without regard to the limitation contained in Article X, Section 20 of the Colorado constitution or any other law.

Pursuant to the Service Plan, the Districts are permitted to collectively issue bond indebtedness of up to \$57,000,000.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105.

#### Revenues

#### **Property Taxes**

The calculation of the taxes levied is displayed on page 3 at the adopted mill levy of 38.146, with 10.899 mills for operations and 27.247 mills for debt service. The District's 2015 Loan agreement allows for adjustment of the maximum debt mill levy as permitted by the Service Plan.

The method of calculating assessed valuation of residential assessment ratio in the State of Colorado changed to 7.20% from 7.96% for property tax years 2017 – 2018 on April 17, 2107 with a report submitted to the State Board of Equalization. Accordingly, the mill levy has been adjusted upward to reflect the change in assessed value calculation.

# GOLD HILL MESA METROPOLITAN DISTRICT NO. 2 2018 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

## **Revenues - (continued)**

## **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 13% of the total property valuation per the assessment at the total mill levy rates.

## **Facility Fees**

The District will assess and charge a facility fee against all properties within the Districts as follows: \$1,000 for single-family units, \$750 for multi-family units and \$2.00 per square foot for commercial units. The fee is due and payable to the District upon closing of the sale of any lot or the issuance of a building permit, whichever occurs first. Facility fees will be used to pay for the District's bond obligations.

#### **Urban Renewal TIF**

Pursuant to the Intergovernmental Tax Sharing Agreement dated January 20, 2011 with the Colorado Springs Urban Renewal Authority, the District will receive the tax increment ("TIF") generated from the Gold Hill Mesa Urban Renewal Project area to be used toward the repayment of the District's bonds.

#### **Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1%, based on the rate received in the US Bank Reserve Fund.

# **Expenditures**

#### **Intergovernmental Expenditures**

All administrative expenditures such as legal, accounting, management, insurance, including costs for snow removal and landscape maintenance, are paid through and by District No. 1, the Operating District. The District will transfer net revenues collected from its operational mill levy, as well as the current, unpledged revenue from its debt service fund, to District No. 1 to cover a portion of these costs.

#### **County Treasurer's Fees**

County Treasurer's collection fees have been computed at 1.5% of property taxes.

#### **Debt Service**

Interest payments in 2018 are provided based on the debt amortization schedule from the Series 2011, C – D Bonds and Series 2015 Refunding Loan. The 2015 Loan issuance paid off the Series 2011 A & B Loans and a portion of Series 2011D Bond.

On December 16, 2015, the District issued the Series 2015 Tax-Free Loan Refunding and Improvement Bonds in the amount of \$6,360,000. The Loan bears interest at a rate of 2.97% through December 1, 2022, and then 5.50% through maturity on December 1, 2045. Loan interest is payable semi-annually on June 1 and December 1, and the principal payments are payable annually on December 1 commencing in 2016.

There are not sufficient funds available to pay the Series D Bond according to the debt amortization schedule, as such the amount budget is based on anticipated funds available.

The District has no operating or capital leases.

#### Reserves

## **Emergency Reserves**

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all three Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's 2018 budget.

#### **Debt Service Reserves**

The Debt Service Reserve in the amount of \$190,800 is required to be maintained on the Series 2015 Refunding Loan.
